RE: Clarification of rule 14.19.3.1 c)

Dear Sir,

Thank you for your request in regards to clarification of rule 14.19.3.1 c) in the 2019 Manual of Motorcycling Sport.

*Footrests: May be folding and, if so, must be fitted with a device which automatically returns them to the normal position.*

As this rule currently stands, this translates to allow for both folding and fixed footrests. If footrests were to strictly be folding, the rule would be worded accordingly i.e. must be folding.

Kind regards,
