- Committee sent a request to MNSW asking to transfer the permit and associated rider levies for the last meeting dated 14/6/17 which was cancelled due to the wet weather. MNSW denied this request, and therefore the club had to pay permit and rider levies for the cancelled meeting.
- A mechanic has been booked to complete repairs to roller sprocket.
- A mechanic has been organised to complete the work on the water truck.
- The committee would like to thank Karen Russell for taking on the position of Point Scorer, and also to Emma Wood for taking on the Canteen Manager Role.
- Thank you to Mr Bentzen & Mr Richards for helping with the track maintenance.
- The club received a complaint today regarding being charged riding fees for today's meeting due to the previous meeting being cancelled after practice because of the wet weather. After calculating associated costs for the cancelled meeting, CCJMCC was able to pass on a partial credit to the riders. The committee agreed on this decision. This was the only complaint, all other members were happy with their partial refund as the members did not expect it.
- A family was sent home due to the breach of the club rules and GCR rules. All members are reminded that committee/officials/volunteers all donate their time for the club. Please show them all the respect as you would to yourself.
- The date for the Birthday Party has been put on the club calendar. Club has been approached by potential sponsors for this event, which is a 2 day fun meet in honour of the clubs 45<sup>th</sup> year running and 40 years at Allen Park. All members are asked to chase up sponsorships for this event if they can. There will be prizes on the day, and lots of fun events are being planned.
- Cost for the Birthday weekend along with officials has been discussed and approved by committee.
- Club to do another bib order, and also another order for Hoodies.
- Thank you to Sam Pull and Warren Scott for their help in repairing the water truck.
- Signatories for the club financial have been changed.
- Committee has approved the repairs to the canteen roof. Thank you to CMA for repairs.
- All accounts are paid and up to date with nothing outstanding.
- Cleanaway has emptied the bins.
  
- Meeting Finished at 4:35pm
