

Closure of Mick Doohan Raeway

96 Raubers Rd,
Northgate,
QLD, Australia

Track closure.

In May 2025 the club was informed that the Brisbane City Council will not be renewing the NBJMCC month by month lease past 15th December.

From then to the end of November the club executive and a working general committee set about trying to find a new location for the club to either build or join in with another group to relocate.

After a great deal of meetings – phone calls and email it came to no avail in finding a suitable place.

A big thank you to all our members that worked on the relocation for a great effort.

After our last meeting, the North Brisbane Cup on the 6th December, the work began to dismantle the complex.

This is a very sad time for the club and the hard-working members that build this great venue, to what it became one of the best tracks in Australia. We can only say thanks to all that have put in their time and donations into building the Mick Doohan Raceway

Members saying goodbye to the track at the North Brisbane Cup.

The Track after the Cup before work began.

From the 8th December work started in packing and sorting out the club's property.

Complying a list of the club's current assets.

13TH December – held a general meeting in which it was passed that as we have not found an place to relocate that all the clubs assets be held for 5 years with the Mike Hatchers Junior MCC and Gold Coast MX Club. So now the packing up can really start.

13th December: working bee to clean and sort the canteen of food supplies and club hours.

12th January team meeting at track to formulate plan for work to be carried out.

13th January Start of decommissioning with hire of skip bins and pozitrack delivered, and fuel for machines to do the work. General disconnection of water and power from some buildings

14th January- Pit fence removed and packed. Removal of fencing around start line.

Pit area fence down

15th January Scissor lift x 2 arrive and to work removing the pit sheds and the electrical fittings from under the canteen and club house covered area.

From the **13th to the 16th** workers continued to sort and list equipment for packing.

16th January – Removed roof of 2 BMCC containers still on site. General clean up of this area. Removal of sunshades and poles from both spectators' hills.

BMCC roofs off containers

Pit Area pack up

17th January Club general meeting on site as to where the clubs property to be sorted present at the meeting were members from the Gold Coast MX Club advising they would be very interested in storing our building with the view of using them until such time we may need then or they rebuild their own buildings. Also a representative from Mick Hatcher's Junior MCC advising they are willing to look after and use and maintain the NBJMCC plant (Grader- Roller- Water Truck eg)

The Members of the club present accepted both clubs offers.

After meeting members packed up the club house – tower and canteen while others removed the roof over the club house – pulled out the start gates – staked and sorted the pit shed time and steel.

Club house and canteen roof off

start gates down

2 x Scrap bins delivered today for removal of unwanted metal.

19th January – Crane Truck on site to assist in roof removal.

More packing and sorting of gear to be transported to GGMX and Hatchers

20th January Partial pit roofs down. Canteen roof down 2 x 20' rusty containers removed and delivered for scrap by tilt trays.

21st January Scrutineering roof down – Bunnings ordered storage shelves, batteries packing goods ect. 1 skip bin out, 1 skid bin in. Plasma cutter hire, Fork attachment delivered. Crane truck to GCMX preloaded to next day delivery.

First to go to GCMX

Pit fencing to GCMX

22nd January Crane Truck to GCMX – return of Plasma Cutter and 2 scissor lifts

23rd January Grader off for transport to Hatchers – Empty and clean BMCC container –
Crane truck to GCMX
